# LIVE UNITED 365 Local Business Challenge

The United Way of Front Royal-Warren County is introducing a fundraising program designed for local businesses in 2017. With the **Live United 365 Local Business Challenge**, businesses participate by donating \$365 per year in one of three ways:

- Making a direct contribution to the United Way (quarterly billing available)
- Encourage staff members to raise the money or host a fundraising event
- Sales promotion with proceeds benefiting the United Way of Front Royal-Warren County

Our goal is to get 100 Local businesses on board this year. Participants will receive a window cling to let others know they're part of the program, and will be recognized in an advertisement later in the year.
